Help Desk Ticket 4

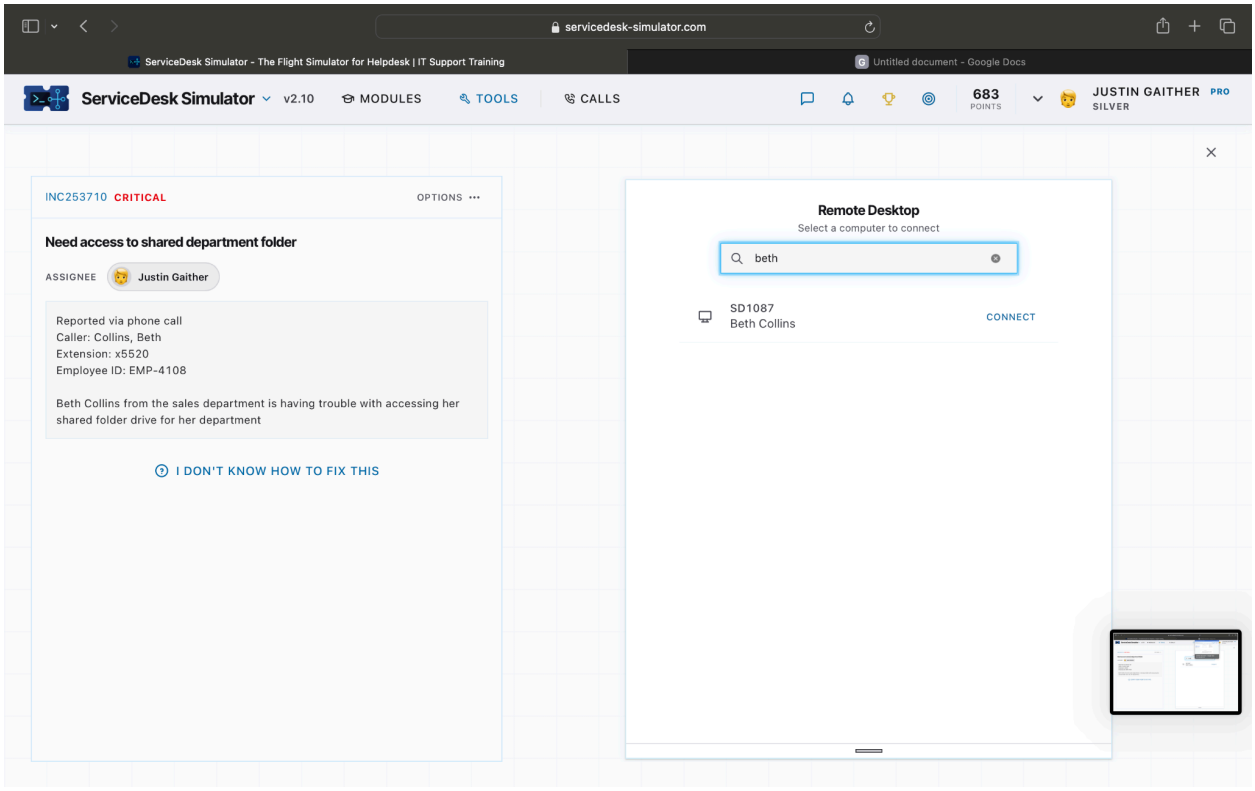

1. 

Beth Collins from the Sales department is having trouble accessing her shared department folder

2. 

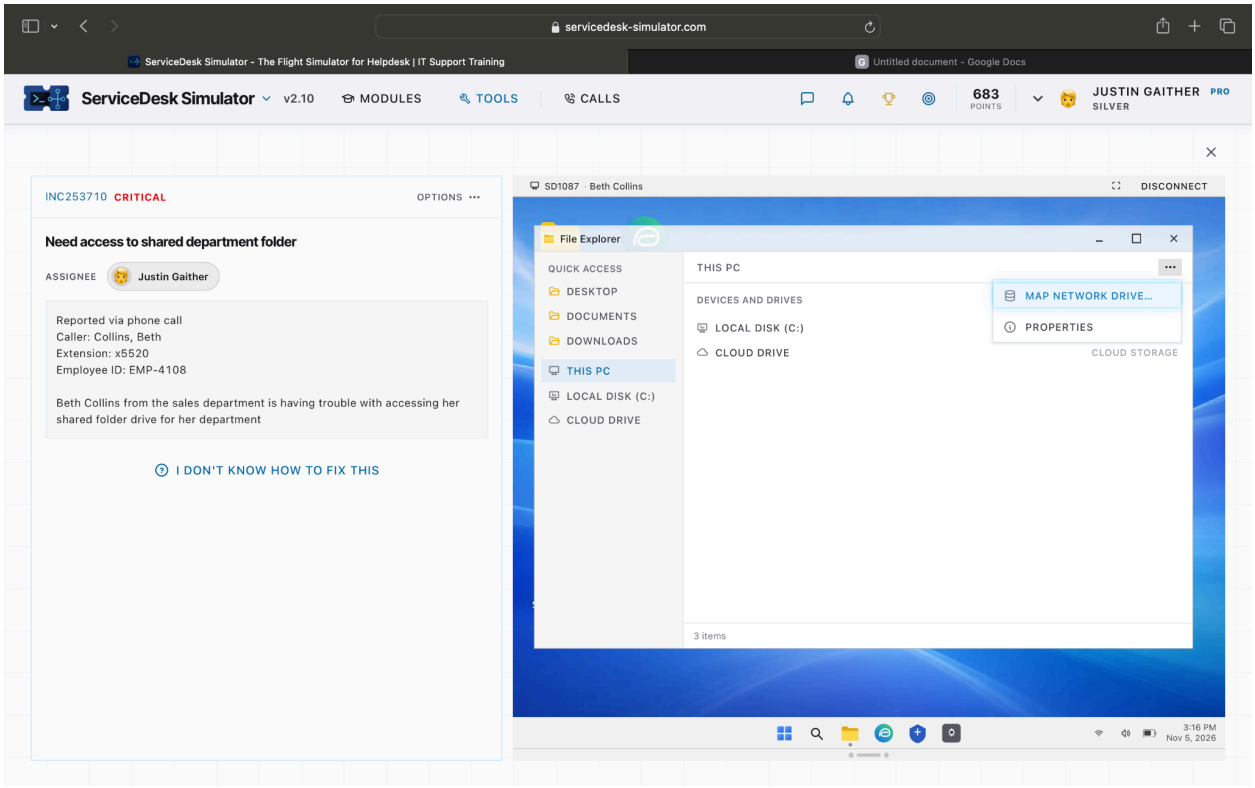

Help Desk Ticket 4

The first step is to navigate to the Documentation section and access the File Server to locate the Sales department folder.

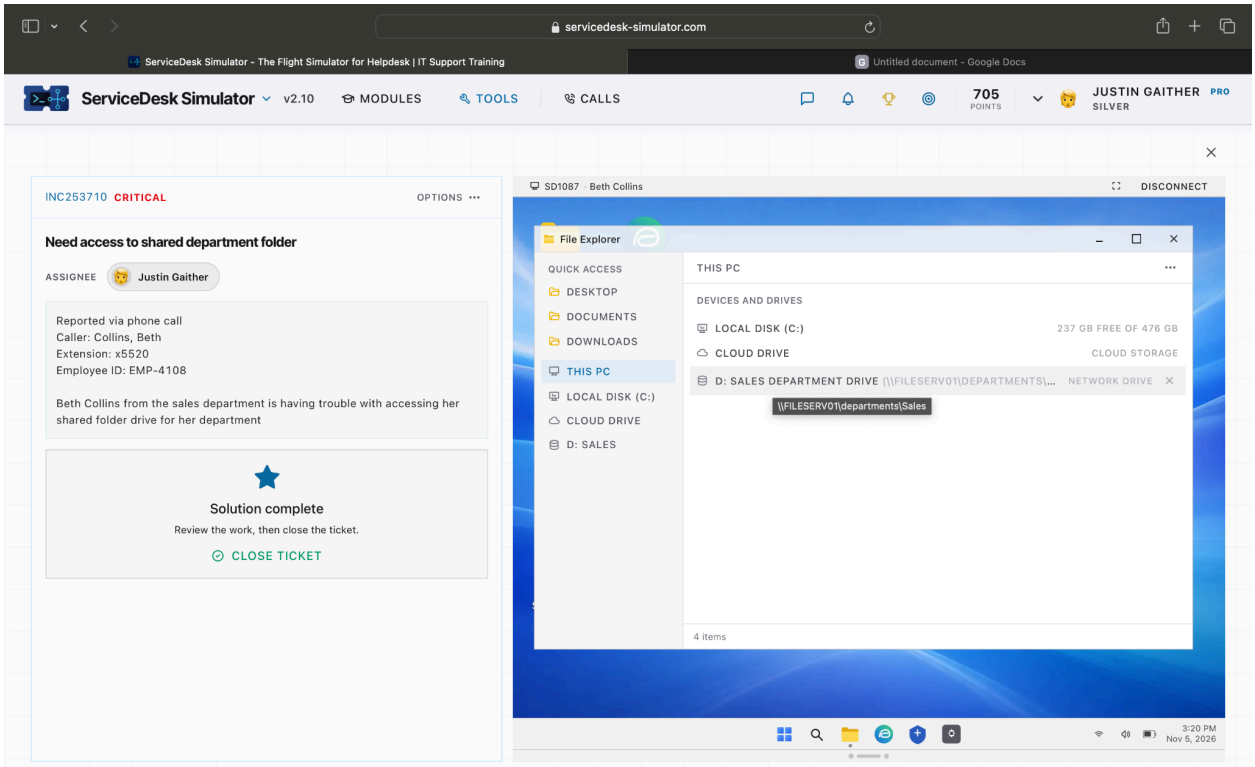

3. 

Next Im gonna remote connect to her desktop

4. 

Now that I'm connected to her remote desktop, I opened File Explorer to add the shared department folder to her computer.

5. 

In this next step, I added the shared department folder to her File Explorer, giving her access to the necessary files. The issue has now been successfully resolved.
